

Rhino Suit

Imperial milk stout aged in Kentucky bourbon barrels

Rhino Suit was the first spirits-barrel-aged beer we released at Alesong, and remains one of our favorites. Returning annually with slight vintage variations and refinements, this year's rendition of our imperial milk stout was matured in George Dickel bourbon barrels to add velvety layers of vanilla and oak to the sweet and chocolatey malt flavors of the base stout.

Food pairings: Cocoa braised lamb shoulder, foie gras, chocolate chip and sea salt cookies
