

# Whiskers on Kittens

## Ale aged in French oak barrels with Cabernet Sauvignon grapes

Whiskers on Kittens is the encore to our rosé-inspired beer, Raindrops on Roses. Showcasing the bold character of our favorite Bordeaux varietal against the backdrop of a tart farmhouse ale blend, this stunning garnet-colored beer bursts with aromas and flavors of cherry and blackberry and boasts a complex tannin structure from the oak aging and fermentation on the grape must.

**Food pairings:** Southwestern salad with steak, grilled venison burger with bacon jam & blue cheese, dark chocolate truffle
